Homeowner Water Submetering Assessments

For Water or Meter Issues, or SERVICE, call THINK Utility Services at (727) 492-7545.

For questions regarding your BILL or account setup, call (888) 607-9218 or (888) 696-3837.

Email: customerservice@thinkutilityservices.com

ONLY OWNERS CAN HAVE ACCOUNTS If your home is rented, you as the Owner will be billed, not your tenant. You are responsible for payments. This is part of your Homeowner Assessment. Late payments trigger late fees and nonpayment results in potential attorney fees, court costs, property liens, and foreclosure.

PAYMENT METHODS

The following information regarding Payment Methods is obtained from THINK's website at: <https://thinkutilityservices.com/faq/>

Think Utility Services (TUS) uses a third-party vendor who charges fees to process all electronic payments, which includes financial institution (ACH) payments \$2.95 fee; and credit card payments \$3.95 fee that increases to \$4.95 if the payment is made over the telephone utilizing a Customer Service Representative.

Free methods of payment are payment by check or money order; or payment by your financial institution utilizing their bill pay by check. In the second instance, your bank mails a physical check (note that some banks withdraw the funds at the time they cut the check rather than when the Payee cashes it, so you may be under the impression Think Utility Services received and cashed the check, when in fact, they have not even received it). If you utilize a payment method that involves mailing it whether by the bank or yourself, they ask that you please allow enough time to make payment before the due date to AVOID A LATE FEE. It is not the date the envelope is postmarked; it is the date the payment is received.

TUS utilizes Starnik © UtilityTrakR™ software. You may set up an on-line account through the TUS website account login page https://www.starnik.net/UtilityTrakR/UT1/Current/RP_Default.aspx with the information you receive with your first bill, after which, you will have 24/7 access to your account. This is not a requirement to make payment.

Subject: Water/Sewer Utility Bill Information for Lakewood Ridge Townhomes

Dear Owner,

I am writing to introduce myself, and the company I represent. Think Utility Services specializes in offering utility solutions to multi-family housing communities. Lakewood Ridge Townhomes and Think Utility Services are partnering together to provide water/sewer utility billing service that includes meter reading, full page invoices, return envelopes, on-line access, and more. The program will commence within the next thirty days, and is detailed below.

Think Utility Services will provide the water billing effective October 2020. Your first invoice will detail water usage from approximately 9/7/20 – 9/21/20, and it will include a \$5.00 initial setup fee. The invoice is due twenty days from the date of mailing. Late fee (s) will apply by contract, at \$10.00 for each infraction per month for partial payment, non-payment, or payment received past the due date. To avoid Late Fees, it is recommended that payments be made on time.

Think Utility Services does not sell or increase the cost of water and sewer. The rate structure is determined by the municipal water supplier. The municipal rates are applied to each unit's monthly consumption. Additionally, account information is available on-line including past invoices and statements. To setup your account online, go to www.ThinkUtilityServices.com and enter the security code listed on your invoice. Once a username and password is created, your account is setup. You have the option of paying online using our site (convenience fee applies) or payment arrangements can be made online through your bank. It is our goal to provide you with exemplary service. If you have any questions, please contact our customer service team between 8 a.m. – 5 p.m. (EST) Monday – Friday toll-free at 888-696-3837 for assistance.

Thank you. We look forward to servicing your community for years to come.

Sincerely,

Saul Moreno
Account Manager
Think Utility Services

Payment Methods

Think Utility Services currently maintains two payment methods:

Non-Transactional Fee Based:

Residents can make the traditional payment method of mailing to Think Utility Services a check/money order at no cost.

Additionally, they can setup an automated payment through their banks “**Bill Payer**” program, of which there is typically no charge for the service. In this case the bank cuts a physical check *(all banks request a minimum of 5 business days) to process the payment.

To Setup in the Customers “**Bill Payer**” use the following information.

Think Utility Services
PO BOX 17389
Clearwater, FL 33762-0389
727 571-3939

Transactional Fee Based:

Think Utility Services offers additional payment options. These options have fees associated with them that Think Utility Services passes through, often called “**Convenience Fees**”. These convenience fees, presented up front are simply a resident’s choice as to which payment option they use.

Why is there a convenience fee?

All banking services utilizing Electronic Fund Transfers “**EFTs**” maintain fees for this service, ACH, Credit Card and Debit Card in some cases. These fees are set in the banking industries profit models. All businesses have credit card transaction fees of which some can hide in the cost of doing business.

Think Utility Services cannot add monies to the water/sewer rates to hide third party banking fees, thus keeping us in line with the current laws and standards of our industry. Think Utility Services works hard to keep its service “**Billing Fee**” to the resident to the very minimum.

Current Convenience Fee Structure:

Online Credit Card Payment \$3.95 per transaction
ACH (Automated Clearing House) \$2.95 per transaction
Customer Services Credit Card Payment \$4.95 – One dollar of which is for the convenience of using a live representatives time to process the transaction.

Electronic Funds Transfer Authorization

I hereby authorize Think Utility Services to initiate debit entries to my Checking Account by electronically transferring funds for the purpose of paying the utility bills for the utility account designated herein. I hereby authorize Think Utility Services to do so from the depository financial institution named below, and to debit the same to such account. I acknowledge that the originations of the transaction to my account must comply with the U.S. Law. The cost of these transactions is \$2.95.

(the "Association") may grant approval for the requested alteration, the homeowner alone is responsible for seeking the required county/city permit(s). Most alterations require permit(s) from one or more county/city departments. The obligation to determine whether the requested improvement, alteration or addition complies with any applicable law, rule, regulation, code or ordinance is strictly the responsibility of the homeowner and not the Association. Additionally, it is understood and agreed that the Association as well as Property Management Company, are not required to take any action to repair, replace or maintain any such approved change, alteration or addition, or any structure or any other property. The homeowner and its' assigns assume all responsibility and cost for any addition or change, and its future upkeep and maintenance.

I understand that the Association will contact me in writing regarding their approval or disapproval of this request. I **agree not to commence any alteration(s) until I have received written approval from the Association.** If an alteration I perform is found NOT to be in compliance with community standards, I will return the property to its original, pre-alteration condition within thirty (30) days of written notification to do so.

ACC Gutter Installation Guidelines and Specifications

As developed and voted on by ACC members: Sam Ascencio, Tracey Hernandez and Kasha Thurston.

In order to maintain aesthetic consistency throughout the Lakewood Ridge Townhome Community, the following guidelines for gutter installation have been established:

- I. All gutters must be standard white aluminum seamless gutters in keeping with current gutter type installed on lanai extensions throughout the community.
- II. Diagram must be provided by contractor specifying exact location of all gutters, downspouts and drainage pipes.
- III. Drainage pipes must be a minimum of two feet but not to exceed beyond the line where sod begins so as to not interfere with mowing of lawn. Drainage pipes must be directed away from any neighbors' property as to not cause erosion or intrusion of neighbor's property.
- IV. Due to staggered rooflines and the possibility of some gutter installations that may extend onto one or both adjacent neighbors' rooflines, homeowner is strongly advised to consult with an attorney and secure written permission from all affected homeowners. The Lakewood Ridge Townhomes HOA, BOD and ACC hold no liability for any losses incurred due to the approval of any gutter installations.
- V. Homeowner is solely responsible for the upkeep, cleaning, and maintenance of gutters, downspouts and drainage pipes. Lifetime warranty is strongly recommended.

I have read and fully understand the above guidelines.

LAKWOOD RIDGE

HOME IMPROVEMENT STANDARDS

The Board of Directors would like everyone that resides in Lakewood Ridge to have a clean understanding of the process when making any changes to the outside of your home.

The First Step is to submit an Architectural Change Form to have your project approved. A copy is included with this communication for your reference.

A big undertaking is replacing your roof. Below is important information to help you through this process.

ROOFING STARDARD

Dimensional, 30-year, asphalt shingle similar to:

Timberline – Hickory

Owens Corning – Brown Wood

Tamko – Rustic Hickory

It is understood that shingle color and product availability vary even within a specific manufacturing process and that colors are retired or replaced. Best efforts must be used to match as nearly as possible the standard color. In order to maintain aesthetic conformity within the community, protect your investment, and keep property values up within the community, you must provide shingle color and picture prior to beginning a reroof or you risk incurring the cost of having to replace your roof due to noncompliance.

6 Inch White Aluminum Eaves

Recommended: Double-louver vents and squirrel guards on all vents.

SIGNS YOU MAY NEED A ROOF REPLACEMENT

- **Curled shingle edges or cupped shingle tabs**
- **Bald spots where granules are missing or the presence of many granules in your gutters**
- **Cracked or broken shingles**
- **A roof that appears old and worn**
- **Dark streaks caused by airborne algae**
- **Moss growth on the roof surface**
- **Broken or damaged flashing**
- **Discolored interior walls and ceilings**
- **Unwanted critters in the home**
- **Daylight seen through the roof boards**

Choosing the Right Roofing Company

Things to consider:

Licensed, Reputable, Contractor (not one who subcontracts your roof out to someone else), Durability, Warranty of Shingle (30 years), Warranty provided by your contractor for replacement repair (minimum of 5 years recommended). Protect your investment and do not risk the cost of having to replace your roof for noncompliance with your Association's Governing Documents.

When it comes to something as important as your roof, leave it in the hands of the professionals.

Only work with a reputable and experienced roofer who has a proven track record of delivering quality work. Your contractor should also communicate with you clearly and discuss everything that will be done before any actual work takes place including Estimates, Samples, Warranty, Contractor License Number, and Certificate of Insurance.

Your roof replacement will be registered with Hillsborough County and must conform to their current minimum roof standards as well as that of the Association. Your insurance company will be able to see you have a new roof constructed of the proper materials and may give you a discount.

Prior to roof replacement, you must notify and receive approval from Lakewood Ridge Townhome Association by means of the Architectural Change Request Form. The \$25 Application fee for roofs is waived. Your ACC request form must include:

- Shingle name/color (listed above), picture, manufacturer, warranty period (30-year dimensional shingles, 6 inch white aluminum eave trim)
- Contractor Name and **License Number**, and a copy of **Contractor's Certificate of Liability Insurance**.

Prior to commencement, a **Work Permit must be obtained and posted within clear view** at your residence.

No vehicles or dumpsters can park or encroach upon rear or front lawns as they will damage the water mains and irrigation system. If this happens, **you will be responsible for all damage and any attorney fees and/or court costs associated with recovering costs of damages**. If unpaid, this could result in a lien on your property and foreclosure.

The Association cannot be held liable for any damage, injuries, etc., resulting from said roof replacement, including neighboring roofs. You own the property, and you are required by Association Governing Documents to properly ensure your property including but not limited to liability insurance.

Owner agrees that it shall be the sole and exclusive obligation of Owner to determine and institute for themselves the appropriate security and any other precautions to protect from and against trespass, criminal acts and any other

dangers to Owner's safety and security of their property, because any gates in and of themselves will not protect Owner from and against said risks and dangers. Owner further agrees that the Declarant and the Association shall have no obligation whatsoever for providing protection to Owner or the Property from conditions existing within public or private streets, parks or common areas. Owner agrees that the Declarant and the Association shall not be liable for injuries or damage suffered by Owner resulting from any failure, defect or malfunction in a gate or equipment or personnel related thereto or acting in place of the gate (i) to restrict the Property to the residents and their invitees; or (ii) that limits the ability of Owner to leave or exit the Property by means of a gate. The Association shall have the responsibility for providing for gate access for all Owners, if gates are installed, and of maintaining all other systems for Owner identification and access.

Section 4. Delegation of Use. Any Owner may delegate, in accordance with the By-Laws and the Homeowners' Association Rules, his right of enjoyment of the Common Area and facilities to members of his family, tenants, social and business invitees or contract purchasers who reside on the Property.

Section 5. Destruction of Common Area. In the event of a total or partial destruction of the Common Area, and if available proceeds of insurance carried pursuant to this Declaration are sufficient to cover 85% of the repair or reconstruction, the Common Area shall be promptly repaired and rebuilt unless within 120 days from the date of such destruction, 75% or more of the Members entitled to vote at a duly called meeting, determine that such reconstruction shall not take place. If the insurance proceeds are less than 85% of the cost of reconstruction, reconstruction may nevertheless take place if, within 120 days from the date of destruction, a majority of the Members elect to rebuild.

Section 6. Common Area and Blanket Easements.

a. Declarant hereby conveys to the Association a blanket easement over all of the Property for use and maintenance of all utilities and drainage as originally constructed by the Declarant, for the service of any dwelling(s), together with a right of ingress and egress over and across the easement areas for such purposes. Such utilities may include water, sewer, electric, cable, telephone, natural gas, and storm water. Each Owner is responsible for damage to or destruction of the easement area and all improvements on it caused directly or proximately by the acts or omissions of such Owner and any guests, invitees, residents, or other persons occupying or present upon said Lot.

b. Fire, police, health, sanitation (including trash collection) and other public service personnel and vehicles shall have and are hereby granted a permanent and perpetual easement for ingress and egress over and across the Common Areas.

c. Declarant hereby grants to all providers of public utility services, including but not limited to electric, telephone, cable, and street lights a utility easement for utility purposes and access over and across the front five feet of every lot adjacent to the roadways.

d. Declarant hereby grants to each Owner, their guests, invitees, residents, and visitors, and utilities providers, guests and invitees of the Association, and reserves to itself, its employees, agents, contractors, and invitees, a perpetual and non-exclusive easement over the Common Areas, for the purposes of ingress and egress to any area of the Property.

Section 7. Maintenance.

(a) Responsibility of Association. The Association shall provide maintenance upon each Lot and each Lot is subject to an assessment for such maintenance, as the case may be, as follows: (i) the exclusive right to conduct exterior maintenance including but not limited to the repair, replacement, mowing, edging, weeding, fertilizing and maintenance of front yards, rear yards and side yards of Lots, trees, shrubs, landscaped areas including sidewalks, fences, and other exterior improvements in the common area installed by Declarant, and their replacements; (ii) the exclusive right to painting and repair of exterior building surfaces, roofs, siding, downspouts, and gutters, which must be conducted as scheduled by the Architectural Committee; (iii) repair, replacement, and maintenance of the utility easements located outside of the rear yard; (iv) the right to maintain irrigation systems in the yards on individual Lots and within the Common Areas; (v) maintaining, replacing and pressure washing lead walks, driveways and exterior building surfaces. The Association's duty of exterior maintenance does not include: glass surfaces; replacement of exterior doors or any trees, shrubs, lawns or landscaped areas within the patio or fully enclosed entry area including the enclosed rear patios or fenced areas of Lots. The Association also is not responsible for any maintenance, repair or replacement resulting from any fire, wind, flood, tornado, hurricane or other casualty; and each Owner will promptly correct any and all such casualty damage to such Owner's Lot within a reasonable time as specified below. Where it is stated herein that the Association has "exclusive control", it means the Owners of Lots shall not be required, or entitled, to conduct such activities except as set out in this Section, it being the intent of the Association to control such activities for purpose of maintaining uniformity within the Property.

(b) Responsibility of Owner. The Owner shall provide exterior maintenance as follows, the cost for which each owner shall be individually responsible: (i) repair or replacement all glass surfaces on his/her Lot; (ii) replacement of exterior doors; (iii) replacement of any trees, shrubs, lawns or landscape areas within a fully enclosed yard, patio, or entry area including the rear patios or fenced areas of an owner's respective Lot; (iv) maintenance, repair, or replacement resulting from any fire, wind, flood, tornado, hurricane or other casualty damage within the Lot of an Owner; and (v) repair or replace any property whether upon such Owner's Lot or any other Lot, or the Common Area, which repair or replacement is required because of

any gross negligence or the willful act of such Owner or any member of such owner's family or household, any invitee of such Owner.

(c) Insurance on Lots. Each Owner of a Lot shall obtain insurance coverage upon the Lot insuring the dwelling unit located thereon in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs. Such coverage shall afford protection against: (i) loss or damage by fire, hurricane, tornado, wind-storm, and other hazards covered by a standard extended coverage endorsement, and; (ii) such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the buildings on the land including but not limited to vandalism and malicious mischief.

The Owner shall furnish proof of such insurance to the Association at the time of purchase of a Lot and shall furnish proof of renewal of such insurance on each anniversary date thereof. If an owner shall fail to provide such insurance the Association may, but shall not be required to, obtain such insurance and shall assess the owner for the cost of same in accordance as a specific assessment as defined herein.

(d) Failure of Owner to Repair. The Association may perform maintenance or make repairs and assess the costs of any required exterior maintenance or repairs to the Owner of any Lot under the following circumstances: (i) such Owner does not maintain in a reasonable condition any lawn or landscaped area on such Owner's Lot that the Association is not required to maintain; or (ii) such Owner does not when reasonably necessary replace any glass surfaces or exterior doors on such Owner's Lot; or (iii) any maintenance, repair or replacement, whether upon such Owner's Lot, or any other Lot or Common Area, is required because of any willful act of such Owner or any member of such Owner's family or household or any invitee of such Owner; or (iv) any Owner fails promptly to repair or replace, as the case may be, any casualty damage to such Owner's Lot; and (v) such Owner has failed to undertake the necessary maintenance or replacement within a reasonable period of time following written notice from the Association. Upon the occurrence of the forgoing, and after reasonable prior notice to such Owner, and a reasonable opportunity to be heard, the Association's Board of Directors by a vote of not less than sixty-seven percent (67%) of the full Board may undertake such maintenance, replacement or repairs and may assess by specific assessment the costs of such maintenance, replacement or repairs, as the case may be, against such Owner's Lot in the manner provided by this Declaration.

(e) Exterior Maintenance Assessment. An Annual Exterior Maintenance Assessment to provide and be used for the exterior maintenance, repair, servicing, renewal, replacement or improvement of the exterior of each Lot, including reserves for any and all of the foregoing may be assessed.

Section 8. Reciprocal Easements. There are reciprocal appurtenant easements between each Lot and such portion or portions of the Common Area adjacent thereto, and between adjacent Lots, for the maintenance, repair and reconstruction of any party wall or walls, as provided herein; for common fences between Lots; for lateral and subjacent support; for overhanging roofs, eaves and trees, if any, installed by Declarant, and for replacements thereof; for fences; for encroachments caused by the initial placement, settling or shifting of any improvements constructed, reconstructed or altered therein in accordance with the provisions of this Declaration; and for the drainage of ground and surface waters in the manner established by Declarant. To the extent not inconsistent with this Declaration, the general rules of common law apply to the foregoing easements. The extent of such easements for drainage, lateral and adjacent support and overhangs is that reasonably necessary to effectuate their respective purposes; and such easements of encroachment extend to a distance of not more than five feet, as measured from any point on the common boundary along a line perpendicular to such boundary at such point.

To the extent that any land or improvement which constitutes part of the Property, now or hereafter supports or contributes to the support of any land or improvement constituting another part of the Property, the aforesaid land or improvement, or both land and improvement is hereby burdened with an easement for support for the benefit of the Property or Lot as the case may be. The easement for support shall be an easement appurtenant and run with the land at law.

If any portion of the Common Area encroaches upon a Lot, a valid easement for the encroachment and for the maintenance of the same, so long as it stands, shall and does exist. If any portion of a Lot by virtue of the Work performed by Declarant encroaches upon the Common Area or upon an adjoining Lot or Lots, a valid easement for the encroachment and for the maintenance of the same, so long as it stands, shall and does exist. Such encroachments and easements shall not be considered or determined to be encumbrances either on the Common Area or on the Lots for the purposes of marketability of title. In the event a building on the Common Area or a Lot or any portion thereof is destroyed and then rebuilt, the Owners of the Lot or Lots agree that minor encroachments of parts of the Common Areas, or other Lots, because of such reconstruction shall be permitted and that an easement for such encroachment and the maintenance and repair of the same shall exist.

Section 9. Water Management Areas. The following restrictions apply to all areas within the Property, including Common Area and Lots.

a. The Lot Owners shall not remove native vegetation (including cattails) that become established within any wet detention ponds abutting their property. Removal includes dredging, the application of herbicide, and cutting and the introduction of grass carp. Lot owners shall address any question regarding authorized activities within the wet detention pond to the Southwest Florida Water Management District, Tampa Permitting Office, Surface Water Regulation Manager.

b. No construction activities may be conducted relative to any portion of the Surface Water Management System Facilities. Prohibited activities include, but are not limited to: digging or excavating; depositing fill, debris, or any other material or item; constructing or altering any water control structure; or any other construction to modify the Surface Water Management System Facilities. No vegetation in a wetland mitigation area or wet detention pond shall be removed, cut, trimmed or sprayed with herbicide without specific written approval from the Southwest Florida Water Management District. Construction and maintenance activities which are consistent with the design and permit conditions approved by the Southwest Florida Water Management District in the Environmental Resource Permit may be conducted without specific approval from the District.

c. No Owner of Property within the subdivision may construct or maintain any building, residence, or structure, or undertake or perform any activity in the wetlands, wetland mitigation areas, buffer areas, upland conservation areas and drainage easements described in the approved permit and recorded plat of the subdivision, unless prior approval is received from the Southwest Florida Water Management District Tampa Regulation Department.

d. No construction activities may be conducted relative to any portion of the Surface Water Management System facilities. Prohibited activities include, but are not limited to: digging or excavating; depositing fill, debris, or any other material or item; constructing or altering any water control structure; or any other construction to modify the Surface Water Management System facilities. No vegetation in a wetland mitigation area or wet detention pond shall be removed, cut, trimmed or sprayed with herbicide without specific written approval from the Southwest Florida Water Management District. Construction and maintenance activities which are consistent with the design and permit conditions approved by the Southwest Florida Water Management District in the Environmental Resource Permit may be conducted without specific approval from the District.

e. The Association shall maintain, as part of the common elements, any surface water management system facilities for the properties and comply with conditions of the permits from the Southwest Florida Water Management District (District) for the drainage system. The Association, shall, when requested by Declarant, accept transfer of any District permit for the Properties (now known as Lakewood Ridge Townhomes). The conditions may include monitoring and record keeping schedules, and maintenance of drainage systems and mitigation areas.

ARTICLE III
LAKWOOD RIDGE TOWNHOMES ASSOCIATION, INC.

Section 1. Purpose. The Association shall be formed for the purpose of maintaining the

Common Area, and for such other purposes as set forth herein.

Section 2. Membership.

(a) Each Owner, by virtue of being an Owner and for so long as he is an Owner, shall automatically be a Member of the Association. Association membership shall be an interest appurtenant to title of each Lot and may not be separated from ownership of any Lot which is subject to assessment, as set forth herein, and shall be transferable only as part of the fee simple title to each Lot.

(b) The rights, duties, privileges and obligations of an Owner as a member of the Association shall be those set forth in, and shall be exercised and imposed in accordance with, the provisions of this Declaration and the Association Documents; provided, that, if a conflict arises between the Declaration and the Association Documents, the Declaration shall take priority.

Section 3. Voting. The Association shall have two classes of voting membership:

Class A. So long as there is Class B membership, Class A Members shall be all Owners, except the Declarant, and shall be entitled to one vote for each Lot owned. Upon termination of Class B membership, Class A Members shall be all Owners, including Declarant so long as Declarant is an Owner, and each Owner shall be entitled to one vote for each Lot owned. If more than one (1) person owns an interest in any Lot, all such persons are Members, but there may be only one (1) vote cast with respect to such Lot. Such vote may be exercised as the Owners determine among themselves; but no split vote is permitted.

Class B. The Class B Member shall be the Declarant and as long as there is a Class B voting membership the Declarant shall be entitled to three (3) votes for each Lot owned. Class B membership shall cease and be converted to Class A membership and any Class B Lots then subject to the terms of this Declaration shall become Class A Lots upon the happening of any of the following events, whichever occurs earlier:

(a) When the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership, including Class B votes for any Property annexed or planned for annexation by Declarant,

(b) On January 1, 2010, or

(c) When the Declarant waives in writing its right to Class B membership.

Section 4. Rights and Obligations of the Association. The Association, in any event, shall have the duty and responsibility to maintain all irrigation systems and landscaping and signs constructed by the Declarant or the Association servicing the Common Area. The Association also may provide other services. The Association has the power to and shall operate

and maintain common property, specifically the surface water management system as permitted by the Southwest Florida Water Management District including all lakes, retention areas, culverts and related appurtenances.

Section 5. Services. The Association may obtain and pay for the services of any Person to manage its affairs to the extent the Board deems advisable, as well as such other personnel as the Board determines are necessary or desirable, whether such personnel are furnished or employed directly by the Association or by any Person with whom it contracts. Without limitation, the Board may obtain and pay for legal and accounting services necessary or desirable in connection with the operation of the Property or the enforcement of this Declaration, the Association Documents or the Homeowners' Association Rules.

Section 6. Capital Improvements. Except for: (i) the replacement or repair of items installed by Declarant as part of the Work, if any; (ii) the repair and replacement of any personal property related to the Common Area; or (iii) as set forth in Article II, Section 5, the Association may not expend funds for capital improvements to the Common Area without the prior approval of at least two-thirds (2/3) of those Members authorized to vote thereon.

Section 7. Personal Property. The Association may acquire, hold and dispose of tangible and intangible personal property, subject to such restrictions as from time to time may be contained in the Declaration and the Association Documents.

Section 8. Homeowners' Association Rules. The Association from time to time may adopt, alter, amend, rescind, and enforce reasonable rules and regulations governing the use of the Lots, Common Area, or any combination thereof, which rules and regulations shall be consistent with the rights and duties established by this Declaration. These regulations shall be binding upon Owners and the Association may impose reasonable monetary fines and other sanctions for violations of the rules which may be collected by lien and foreclosure as provided herein, in accordance with Chapter 617, Florida Statutes. All rules and regulations initially may be promulgated by the Board, subject to amendment or rescission by a majority of both classes of membership present and entitled to vote at any regular or special meeting convened for such purposes. The Association's procedures for enforcing its rules and regulations at all time shall provide the affected Owner with reasonable prior notice and a reasonable opportunity to be heard, in person and through representatives of such Owner's choosing.

No Owner, Occupant, or person residing within a Dwelling, or their invitees, may violate the Association's rules and regulations for the use of the Property, and all such persons shall comply with such rules and regulations at all times. Wherever any provision of this Declaration restricts or prohibits any activity, condition or structure within the Property except as permitted by the Association's rules and regulations, such restriction or prohibition is self-executing until the Association promulgates rules and regulations expressly permitting such activity, condition

or structure. Without limitation, any rules or regulations will be deemed "promulgated" when mailed to all Owners at the address shown on the Association's books or when posted at a conspicuous place on the Property from time to time designated by the Association for such purpose.

Section 9. Powers and Authority. The Association shall have the power and authority to do any and all lawful things which may be authorized, required or permitted to be done by the Association under and by virtue of the Articles of Incorporation of the Association and this Declaration and to do and perform any and all acts which may be necessary or proper for or incidental to the exercise of any of the express powers of the Association for the safety and/or general welfare of the Owners. Without in any way limiting the generality of the foregoing, the Association shall have the power and authority at any time and from time to time, and without liability to any Owner, to enter upon any Lot for the purpose of enforcing any and all of the provision called for herein, or for the purpose of maintaining and repairing any such Lot if for any reason whatsoever the Owner thereof fails to maintain and repair such Lot as required. The Association shall also have the power and authority from time to time, in its own name, or its own behalf or on behalf of any Owner or Owners who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of this Declaration, the Association Documents and the Homeowners' Association Rules and to enforce, by mandatory injunction or otherwise, the provisions of this Declaration, the Association Documents, and the Homeowners' Association Rules.

Section 10. Indemnification of Officers and Directors. To the extent permitted by law, the Association shall, and all Owners as shareholders hereby agree that the Association shall, indemnify each officer, director, employee, and management contractor from any all expenses, including legal expenses, incurred arising out of such person's acts undertaken on behalf of the Association, unless such acts were both adverse to the Association and resulted in personal gain to the person. This provision is self executing, and the Association may also take any action desired to carry out its purposes.

Section 11. Cable Television System. The Association may contract with a franchised cable television operator to provide cable television service in bulk to all of Lakewood Ridge Townhomes. This service may include channels for security information and for a community bulletin board. If the Association enters into such an agreement, each Lot shall pay for such cable television charges as part of the monthly payment of the annual assessment.

Section 12. Termination of Association. If the Association ceases to exist, all of the Owners shall be jointly and severally responsible for operation and maintenance of the Surface Water Management System facilities in accordance with the requirements of the Environmental Resource Permit, unless and until an alternate entity assumes responsibility.

ARTICLE IV **ASSESSMENTS**

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (i) annual assessments or charges, hereinafter referred to as "Annual Assessments", (ii) special assessments for capital improvements including working capital improvement fund, hereinafter referred to as "Special Assessments", (iii) specific assessment for accrued liquidated indebtedness to the Association hereinafter referred to as "Specific Assessments," and (iv) assessments for property taxes on Common Area, such assessments to be established and collected as hereinafter provided. The Annual, Special and Specific Assessments, hereinafter collectively referred to as "Assessments", together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each Assessment is made. The Assessments, together with interest, costs, and reasonable attorney's fees and paralegal fees together with any sales or use tax thereon, shall also be the personal obligation of the Person who was the Owner of such Lot at the time when the Assessments fell due. However, the personal obligation of an Owner for delinquent Assessments shall not pass to said Owner's successors in title unless expressly assumed in writing by such successor.

Section 2. Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purpose of carrying out the rights and obligations of the Association as defined in this Declaration, including but not limited to the acquisition, management, insurance, improvement, restoration, renovation, reconstruction, replacement, and maintenance of the Common Area; the maintenance of a reserve fund for the replacement of the Common Area and all improvements thereon, anticipated to be required in the future; the enforcement of the Declaration and Association Documents; the enforcement of Design Standards of the Architectural Control Committee; the payment of operating costs and expenses of the Association; the operation of any entry gates; and the payment of all principal and interest when due and all debts owed by the Association.

Section 3. Annual Assessment. The Annual Assessment shall be used exclusively to promote the recreation, health, safety and welfare of the residents within the Property, including (i) the operation, management, maintenance, repair, servicing, security, renewal, replacement and improvements of the Common Area including the Surface Water Management System Facilities, monitoring and maintenance of any wetland mitigation areas until the Southwest Florida Water Management District determines that the area is successful in accordance with the Environmental Resource Permit, and the establishment of reserve accounts for all such items; and (ii) the cost of labor, equipment, materials, management and water management system, operating the entry gates, if any, and those other responsibilities as outlined herein, (iii) all other

general activities and expenses of the Association, including the enforcement of this Declaration, and (iv) exterior maintenance assessment as set out in Section 7, Article II.

Section 4. Maximum Annual Assessment. At least thirty (30) days before the expiration of each year, the Board will prepare and distribute to each Owner a proposed budget for the Association's operations during the next ensuing year. If such budget requires an Annual Assessment of not more than one hundred fifteen percent (115%) of the Annual Assessment then in effect, the assessment so proposed will take effect at the commencement of the next ensuing year without further notice to any Owner. If such budget requires an Annual Assessment that is more than one hundred fifteen percent (115%) of the Annual Assessment then in effect, however, the Board must call a membership meeting as stated herein. In computing the applicable percentage of the new annual assessment for the above determination, any increase due to an increase in utility charges for the common area or cable televisions charges shall not be included, but shall be automatically passed on as part of the assessment. A majority of those Members present and authorized to vote and voting is sufficient for such approval, and the assessment approved will take effect at the commencement of the next ensuing fiscal year without notice to any Owner. If the proposed assessment is disapproved, a majority of the Members present who are authorized to vote and voting will determine the Annual Assessment for the next fiscal year, which may be any amount not exceeding that stated in the meeting notice. Each Annual Assessment may be payable in such number of installments, with or without interest, as the Board determines. In the absence of any valid action by the Board or the membership to the contrary prior to the commencement of any fiscal year, the Annual Assessment then in effect will automatically continue for the ensuing fiscal year, increased only by any increase in utility charges and cable fees. The Board may increase the annual assessment at any time during the year to provide for an increase in utility charges for the common area, or cable television charges for Lots.

Section 5. Special Assessments for Working Capital Fund, Nonrecurring Maintenance and Capital Improvements. In addition to the annual assessment authorized above, the Association may levy special assessments as follows:

(a) Upon sale of the first Lot by the Declarant to a third party, a special assessment for a working capital fund, up to six (6) months' estimated regular assessment may be assessed which shall be due and payable upon conveyance of each Lot to a third party. The aggregate working capital fund established by such special assessment shall be accounted for separately, and shall be available for all necessary expenditures of the Association.

(b) In an assessment year, a special assessment (in addition to the annual assessment or the assessment provided in subsection (a) above) which is applicable to that year only for the purpose of defraying, in whole or in part, the cost of any nonrecurring maintenance, or the acquisition, construction, reconstruction, repair or replacement of a capital improvement upon

the Common Area required to be maintained by the Association, including fixtures and personal property related thereto may be assessed. The Association shall separately account for the proceeds of such special assessments and proceeds shall be used solely and exclusively to fund the nonrecurring maintenance or improvements in question, provided such assessment first is approved by a majority of the Members present and voting in person or by proxy at a meeting duly convened for such purpose. Any such special assessment shall be due on the date fixed by, and may be payable in one or more installments (with or without interests), as the Board determines.

Section 6. Specific Assessments. Any and all accrued, liquidated indebtedness of any Owner to the Association arising under any provision of this Declaration, or by contract, express or implied, or because of any act or omission of any Owner or person for whose conduct such Owner is legally responsible, also may be assessed by the Association against such Owner's Lot after such Owner fails to pay such indebtedness within thirty (30) days after written demand. This shall include fines levied pursuant to Chapter 617, Florida Statutes, for the actions of any Owner, or guest, invitee, or family member of such Owner. This shall also include payment for water or sewer utility services as provided in Section 18 below. Specific Assessments shall also include water and sewer charges pursuant to Section 18 hereof.

Section 7. Property Taxes. Because the interest of each Owner in the Common Area is an interest in real property appurtenant to each Lot, and because no person other than an Owner has the right to the beneficial use and enjoyment of the Common Area, Declarant intends that the value of the interest of each Owner in the Common Area entitled to its use be included in the assessment of each Lot for local property tax purposes. Declarant further intends that any assessment for such purposes against the Common Area shall be for a nominal amount only, reflecting that the full value thereof is included in the several assessments of the various Lots. If the local taxing authorities refuse to so assess the Common Area with the result that local real property taxes in any given year are assessed to the Association with respect to the Common Area in excess of Five Hundred and No/100 Dollars (\$500.00), and in the event the Annual Assessment does not include any such excess property taxes on the Common Area, then the amount of such excess may be specially assessed by the Board of Directors in its discretion in the following manner: the amount of such excess with respect to the Common Area shall be divided by the number of Lots within the Property and the quotient shall be the amount of such special assessment which may be payable in a lump sum within thirty (30) days after notice or may be amortized without interest over such number of months as the Board deems advisable. Each year the Board shall determine whether such assessment shall be levied, and its amount, within forty-five (45) days after receiving notice of the amount of taxes due.

Section 8. Notice and Quorum for Any Action Authorized Under Article IV. Written notice of any meeting called for the purpose of taking action authorized to increase the Annual Assessment shall be sent to all Members authorized to vote, not less than 10 days nor more than

30 days, in advance of the meeting; and for all other Assessments notice shall be sent to all Members authorized to vote, not less than 5 business days nor more than 10 days in advance of the meeting.

Section 9. Uniform Rate of Assessment. Both Annual and Special Assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis, except that Declarant, at its election, in lieu of paying Annual Assessments may contribute to the Association such amounts as are necessary to fund any difference between the Association's operating expenses and the Annual Assessments collected from Owners other than Declarant. The share of each Lot in payment of the assessments for common expenses shall be a fraction the numerator of which is one and the denominator is the total number of Lots subject to assessment under this Declaration. This fraction is 1/168.

Section 10. Accumulation of Funds Permitted. The Association shall not be obligated to spend in any calendar year all sums collected in such year by way of Annual Assessments or otherwise, and may carry forward, as surplus, any balances remaining; nor shall the Association be obligated to apply such surplus to the reduction of the amount of the Annual Assessments in any succeeding year but may carry forward from year to year such surplus as the Board may deem to be desirable for the greater financial security of the Association and the effectuation of its purposes.

Section 11. Date of Commencement. The Annual Assessments provided for herein shall commence as to all Lots as of the date of the conveyance of a lot to a Class A member.

Section 12. Certificate as to Status of Payment. Upon written request of an Owner, the Association shall, within a reasonable period of time, issue a certificate to that Owner giving the status of all Assessments, including penalties, interest and costs, if any, which have accrued to the date of the certificate. The Association may make a reasonable charge for the issuance of such certificate. Any such certificate, when duly issued as herein provided shall be conclusive and binding with regard to any matter therein stated. Notwithstanding any other provision of this Section, a bona fide purchaser of a Lot from an Owner to whom such a certificate has been issued shall not be liable for any Assessments that became due before the date of the certificate that are not reflected thereon and the Lot acquired by such a purchaser shall be free of the lien created by this Article to the extent any such Assessment is not reflected.

Section 13. Assessment Lien. All sums assessed to any Lot, together with interest and all costs and expenses of collection (including reasonable attorneys' fees and paralegal fees, plus any applicable sales or use tax thereon, including those for trial and all appellate proceedings), are secured by a continuing lien on such Lot in favor of the Association. Such lien is subject and inferior to the lien for all sums secured by any first Mortgage encumbering such Lot, as provided herein; but all other Persons acquiring liens on any Lot, after this Declaration is recorded, are

deemed to consent that such liens are inferior to the lien established by this Declaration whether or not such consent is set forth in the instrument creating such lien. The recording of this Declaration constitutes constructive notice to all subsequent purchasers and creditors, or either, of the existence of the Association's lien and its priority. The Association from time to time may, but is not required to, record a notice of lien against any Lot to further evidence the lien established by this Declaration.

Section 14. Effect of Nonpayment of Assessments: Remedies of the Association. Any Assessment not paid within ten (10) days after the due date shall bear interest from the due date at the rate of eighteen percent (18%) per annum or at such rate as the Board may from time to time establish provided, however, that in no event shall the Association have the power to establish a rate of interest in violation of the law of the State of Florida. The Board may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Property. A suit to recover a money judgment for unpaid assessments may be maintained without foreclosing, waiving, or otherwise impairing the Associations' lien or its priority. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 15. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate to the lien of any first Mortgage. Sale or transfer of any Lot shall not affect an Assessment lien, except the sale or transfer of any Lot pursuant to the foreclosure of a first Mortgage or any proceeding or conveyance in lieu thereof, shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer, without prejudice however, to the Association's right to collect such amounts from the Owner personally liable for their payment. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof. Any encumbrancer holding a lien on a Lot may pay, but is not required to pay, any amount secured by the lien created by this Article; and such encumbrancer then will subrogate to all rights of the Association with respect to such lien, including priority, to the extent of such payment.

Section 16. Homesteads. By acceptance of a conveyance of title to any Lot, each Owner is deemed to acknowledge conclusively that (i) the assessments established by this Article are for the improvement and maintenance of any homestead thereon; (ii) the Association's lien for such assessments has priority over any such homestead; and (iii) such Owners irrevocably waive the benefit of any homestead exemption otherwise available with respect to all amounts validly secured by such lien.

Section 17. Special Assessments. Each Owner shall be responsible for any special assessments by any entity of government made with regard to such Owner's property, including capacity assessments made by Hillsborough County.

Section 18. Utility Assessments. The Association may choose to have the subdivision metered for water and wastewater utilities as a whole, and either individually meter individual residences for water or wastewater usage or divide the master charges pro rata among the number of Lots. If so, the Association shall bill each Owner monthly for such services, which shall be a specific assessment as provided above. The assessment for water and wastewater charges shall include an amount for the cost of billing and for the costs of meter reading. In addition to the other remedies specified in this Article, after ten days notice, the Association may physically terminate water service for failure of the Owner to timely pay such assessment.

ARTICLE V

ARCHITECTURAL CONTROL COMMITTEE

Section 1. Creation and Composition. The "Architectural Control Committee" shall mean, as follows: Until all the Lots in Lakewood Ridge Townhomes have been fully developed, permanent improvements constructed thereon, and sold to permanent residents, the Architectural Control Committee shall mean the Declarant, and shall not be a committee of the Association. At such time as all of the Lots in Lakewood Ridge Townhomes have been fully developed, permanent improvements constructed thereon, and sold to permanent residents, the Declarant shall notify the Association and all the Owners of Lots in Lakewood Ridge Townhomes to that effect, and, thereupon, the Declarant's rights and obligations as the Architectural Control Committee shall forthwith terminate. Thereafter, the Association shall have the right, power, authority, and obligation to establish a successor Architectural Control Committee as a committee of the Association in accordance with the Association Documents and prescribe rules and regulations pursuant to which such Committee shall act.

Section 2. Design Standards. The Architectural Control Committee shall from time to time, subject to this Declaration and the Association Documents, adopt, promulgate, amend, revoke, and enforce guidelines, hereinafter referred to as the "Design Standards" for the purposes of:

- (i) governing the form and content of plans and specifications to be submitted to the Architectural Control Committee for approval pursuant to this Declaration;
- (ii) governing the procedure for such submission of plans and specifications; and
- (iii) establishing guidelines with respect to the approval and disapproval of design features, architectural styles, exterior colors and materials, details of construction, location and size of any Structure, and all other matters that require approval by the Architectural Control Committee pursuant to this Declaration.
- (iv) establishing guidelines for approval of landscaping changes and maintenance of structures, including roof replacement.

Generally, exterior modifications to the structures constructed by Declarant are discouraged and will not be approved. In reviewing any particular application, the Committee shall consider whether its action will: (i) assure harmony of external design, materials and location in relation to surrounding buildings and topography within the Property; and (ii) preserve the value and desirability of the Property as a residential community; and (iii) be consistent with the provisions of this Declaration; and (iv) be in the best interest of all Owners in maintaining the value and desirability of the Property as a residential community.

Section 3. Review and Approval of Plans. No exterior change shall be commenced, erected, or maintained on any Lot, nor shall any exterior addition to or alteration thereof be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to the Architectural Control Committee for written approval (i) as to conformity and harmony of external design and general quality with the existing standards of the neighborhood and with the standards of Lakewood Ridge Townhomes, (ii) as to the size, height, and location of the Structure in relation to surrounding Structures and topography and finished ground elevation, and (iii) shall be consistent with the provisions of this Declaration. No landscaping may be added to the front yard of any Lot without approval of the Architectural control committee. In the event the Architectural Control Committee fails to approve or disapprove such design and location within forty-five (45) days after said plans and specifications have been submitted in writing, the proposal shall be deemed to be disapproved by the Architectural Control Committee. The Committee may impose a fee for the costs involved with such approval.

Such plans and specifications shall be in such form and shall contain such information as may be reasonable required by the Architectural Control Committee.

Upon approval by the Architectural Control Committee of any plans and specifications submitted pursuant to this Declaration, a copy of such plans and specifications, as approved, shall be deposited for permanent record with the Architectural Control Committee and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot or Structure of any plans and specifications shall not be deemed a waiver of the Architectural Control Committee's right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with any other Lot or Structure. Approval of any such plans and specifications relating to any Lot or Structure, however, shall be final as to that Lot or Structure and such approval may not be reviewed or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans and specifications, as approved, and any conditions attached to any such approval.

Notwithstanding anything to the contrary, the Architectural Control Committee may request changes in any plans or Structures that are completed or being built if required by Law and neither the Declarant nor the Architectural Control Committee shall be liable for damages.

In regards to any plans and specifications approved by the Architectural Control Committee neither Declarant, nor any member of the Architectural Control Committee, shall be responsible or liable in any way for any defects in any plans or specifications, nor for any structural defects in any work done according to such plans and specifications nor for the failure of the plans and specifications to comply with any Law. Further, neither Declarant, nor any member of the Architectural Control Committee shall be liable in damages to anyone by reason of mistake in judgment, negligence, misfeasance, malfeasance or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications or the exercise of any other power or right the Architectural Control Committee provided for in this Declaration. Every Person who submits plans or specifications to the Architectural Control Committee for approval agrees, by submissions of such plans and specifications, and every Owner of any Lot agrees, that he will not bring any action or suit against Declarant, or any member of the Architectural Control Committee, to recover for any such damage.

Prior to the issuance of a certificate as set out in section 4 below, any employee or agent of the Architectural Control Committee may, after reasonable notice, at any reasonable time, enter upon any Lot and Structure thereon for the purpose of ascertaining whether the installation, construction, alteration, or maintenance of any Structure or the use of any Lot or Structure is in compliance with the provisions of this Declaration; and neither the Architectural Control Committee, nor any such agent shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

Section 4. Certification by Architectural control committee. At the request of any Owner, the Association from time to time will issue, without charge, a written certification that the improvements, landscaping, and other exterior items situated upon such Owner's Lot have been approved by the Architectural Control Committee, if such is the case.

Section 5. Violations. If any Structure shall be erected, placed, maintained, or altered upon any Lot, otherwise than in accordance with the plans and specifications approved by the Architectural Control Committee pursuant to the provisions of this Article, such erection, placement, maintenance, or alteration shall be deemed to have been undertaken in violation of this Article and without the approval required herein. If in the opinion of the Architectural Control Committee such violation shall have occurred, the Architectural Control Committee shall notify the Board of the Association. If the Board of the Association shall agree with the determination of the Architectural Control Committee with respect to the violation then the Board shall provide written notice to the Owner by certified mail, setting forth in reasonable

detail the nature of the violation and the specific action or actions required to remedy the violation. If the Owner shall not have taken reasonable steps toward the required remedial action within thirty (30) days after the mailing of the aforesaid notice of violation, then the Association shall have and be entitled to, in addition to any other rights set forth in this Declaration, all rights and remedies at law or in equity. Actions of the Board are final.

Section 6. Partial Delegation to Association. At any time prior to the termination of Declarant's responsibilities as provided in Section 1 above, Declarant may delegate to a committee of the Association the responsibilities of the Architectural Control Committee with regard to any activities on individual Lots which have been fully developed, permanent improvements constructed thereon, and sold to permanent residents. The Declarant may then retain all other duties of the Architectural Control Committee with regard to new construction.

ARTICLE VI **GENERAL COVENANTS AND RESTRICTIONS**

The following covenants, conditions, restrictions, and easements are herewith imposed on the Property:

Section 1. Signs. No signs, except one (1) "For Sale or Lease" sign not exceeding four (4) square feet in surface area displayed in the front portion of a Lot (and in no other location) and one sign of not more than one (1) square foot used to indicate the name of the resident, shall be erected or displayed to the public view on any Lot. Notwithstanding the foregoing, Declarant specifically reserves the right for itself, its successors, nominees, assigns, and the Association, to place and maintain any and all signs it may deem necessary, regardless of whether or not the sign complies with the mandates of the Association, in connection with construction, marketing, sales, and rental of Residences and Lots, and identifying or informational signs, anywhere on the Property.

Section 2. General Prohibitions. No activity is permitted, nor may any object or substance be kept, stored, or permitted anywhere within the Property in violation of law. No Owner shall cause or permit any unreasonable or obnoxious noises or odors or waste and no obnoxious, destructive, illegal, or offensive activity that constitutes a nuisance to any Owner or to any other person lawfully residing within the Property is permitted anywhere within the Property. This provision shall not apply to the activities of Declarant in construction, maintenance or sale of Dwellings. No storage or temporary placement of any items, including bicycles, motorcycles, or watercraft is permitted on the Common Area.

Section 3. Use of Lots. Each Lot may be improved and used for residential purposes only and only one residence, approved in accordance with Article V, may be constructed thereon. No trade, business, or profession of any kind may be conducted on any Lot except for

the business of the Declarant and its transferees in developing the Property or a home occupation as approved by Hillsborough County.

Section 4. Animals. No animals, livestock, or poultry may be raised, bred or kept anywhere within the Property, except that no more than two (in the aggregate) dogs, cats or other conventional household pets may be kept upon any Lot so long as they are not kept, bred or maintained for any commercial purpose. Each Owner shall have the responsibility to clean up the waste produced by his or her pet immediately. No pet shall be permitted to run at large outside a Lot. Each Owner and Occupant shall insure that his pet shall not disturb other Owners and Occupants with excessive or repetitive noise. All pets outside a Dwelling shall be properly leashed or shall be kept within an approved fence, shall be otherwise controlled in whatever manner is most practical on or off a Lot, and shall be subject to all applicable local ordinances existing from time to time. No outside animal pen, cage or shelter shall be constructed or permitted.

Section 5. Trash. Except for regular curbside collection and disposal, no rubbish, trash, garbage or other waste material or accumulations may be kept, stored or permitted anywhere within the Property, except inside a Dwelling, or in sanitary containers completely concealed from view. No trash containers shall be placed at curbside for pickup more than twenty-four (24) hours prior to the scheduled pickup.

Section 6. Appurtenances. No porch, deck, patio, fence, screened enclosure, carport or other attached or detached structure (whether free-standing, structural or non-structural and whether in the front, side or rear of a Dwelling), shall be constructed without the approval of the Architectural control committee. No permanent outdoor clothes lines may be installed or maintained on any Lot except that portable rotary type or reel type clothes lines may be permitted in the rear yard only and said clothes lines must be stored when not in use. On corner Lots, such clothes lines shall not be placed within twenty (20) feet of a side street line. No storm doors or screen doors are permitted on the front door of a Dwelling. No basketball hoops, whether temporary or permanent, including portable hoops, shall be installed on any Lot. No above-ground swimming pools, free-standing storage sheds or outbuildings, screening of front porches or garages, antennas or solar collectors are permitted on any Lot, except as may be permitted by law.

Notwithstanding the above provision, each Lot shall be permitted to install and maintain one (1) satellite dish antenna of not more than one meter in diameter, at a location and in a manner as may be approved by the Architectural control committee. The structure shall not be visible from the street.

Section 7. Storage of Vehicles, Water Craft, Machinery or Equipment. Except as specifically permitted hereinafter, no vehicle (motorized or non-motorized, licensed or not), no

water craft (motorized or non-motorized) and no trailer of any kind (licensed or not), or any other machinery or equipment (whether mobile, licensed or not) shall be parked or stored on any Lot, sidewalk, public or private right-of-way within the Property, or any portion of the Common Area. Except and to the extent that it is parked temporarily and is in use for construction, repair or maintenance of a Lot or Dwelling or the Common Areas, the foregoing prohibition shall include all of the foregoing items which are of a commercial character.

Notwithstanding the foregoing, "permitted vehicles" may be parked in driveways. A "permitted vehicle" shall mean a licensed motor vehicle which is (i) a passenger automobile or van (including a high-top conversion van or sport vehicle with oversized tires, but excluding a motor-home or recreational vehicle), (ii) a motorcycle, or (iii) a pickup truck, whether or not the bed has been enclosed, provided such pick-up truck can be otherwise completely concealed within a standard sized garage, or (iv) water craft on a trailer, provided such water craft can be otherwise completely concealed within a standard sized garage and provided in each instance that any such vehicle has a current license tag. A "permitted vehicle" shall not include a vehicle used for commercial purposes, including vehicles containing racks, tool storage units (excluding low-profile units installed parallel to and immediately behind the cab), and vehicles displaying commercial signage. None of the foregoing items which are inoperative or abandoned shall be permitted on any Lot for a period in excess of forty-eight (48) hours unless such item is entirely within a garage. No major repairs shall be performed on any such items on any Lot except within a garage and under no circumstances shall such repairs be performed if they result in the creation of an unsightly or unsafe condition as determined by the Board. Unless specifically designated by the Board for parking, no temporary parking shall be permitted on any Common Area. Owner must comply with all regulations of the County regarding parking.

Parking spaces may be assigned by the Board of Directors to individual Lots. Any violation of the parking plan adopted by the Board shall be considered a violation of the Association rules and regulations.

Section 8. Dwellings. Only one Dwelling may be constructed on any Lot. No trailer, manufactured home, manufactured building, mobile home, tent, shack, garage, barn, storage shed, structure of a temporary character, or other outbuilding shall be constructed or parked on any Lot at any time, except for a construction shack, security trailer, temporary structure or temporary toilet during construction of a Dwelling by Declarant or its transferees. Any Dwelling constructed on a Lot shall be in accord with the front yard and rear yard setback requirements set forth in Hillsborough County Zoning Regulations. No structural or non-structural additions shall be permitted without written permission of the Architectural control committee. All driveways and sidewalks shall be constructed, reconstructed or repaired with the materials and in the manner in which they were originally constructed, and no colors, coatings, pavers, epoxies or similar treatments shall be permitted.

Section 9. Access By Association. The Association has a right of entry onto each Lot (but not inside a Dwelling) to the extent reasonably necessary to discharge its rights or duties of exterior maintenance, if any, or for any other purpose reasonably related to the Association's performance of any duty imposed, or exercise of any right granted by this Declaration. Such right of entry shall be exercised in a peaceful and reasonable manner at reasonable times and upon reasonable notice whenever circumstances permit. Entry into any Dwelling shall not be made without the consent of its Owner or Occupant for any purpose, except pursuant to Court order or other authority granted by Law. No Owner shall withhold consent arbitrarily to entry upon a Lot by the Association for the purpose of discharging any duty or right of exterior maintenance if such entry is upon reasonable notice, at a reasonable time, and in a peaceful and reasonable manner. The Association's right of entry may be exercised by its agents, employees and contractors.

Section 10. Fences. No fences shall be erected or maintained on any Lot, except as installed by the Declarant as part of the Work or as approved by the Architectural Control Committee. Wooden fences are hereby prohibited. Any fence erected or constructed by any Owner shall be made of white PVC or similar materials, and such fences shall be subject to approval of the Architectural Control Committee. Owners are hereby placed on notice that construction of a fence may require the Owner to assume responsibility for maintenance of the enclosed yard.

Section 11. Replacement. In the event a Dwelling is damaged or destroyed by casualty, hazard or other loss, then within twelve (12) months after such incident, the Owner shall either rebuild or repair the damaged Dwelling or promptly clear the damaged improvements and re-sod and landscape the Lot in a sightly manner.

Section 12. Mailboxes. The Architectural control committee may approve a standard mailbox design for use throughout the Property. No mailboxes shall be installed which do not meet the adopted standard, if any, or are approved by the Architectural control committee.

Section 13. Maintenance of Entry Wall. Any wall or fence adjacent to any entrance or boundary to the subdivision, shall be maintained on the interior and exterior of such wall and any structural repair or reconstruction shall be the responsibility of the Association.

Section 14. Lease and Ownership Restrictions. No Lot or dwelling may be leased for a term of less than seven months. A copy of all leases shall be provided to the Association prior to occupancy by any tenant.

ARTICLE VII

GENERAL PROVISIONS

Section 1. Enforcement. Each Lot Owner shall comply strictly with the covenants, conditions, restrictions, and easements set forth in this Declaration. In the event of a violation or breach, or threatened violation or breach, of any of the same, the Declarant, the Architectural Control Committee, the Association, or any Lot Owner, jointly and severally, shall have the right in addition to procedures set out in Article V, Section 5 and Article II, Section 7, to proceed at law or in equity for the recovery of damages, or for injunctive relief, or both. If any Owner or the Association is the prevailing party in any litigation involving this declaration, then that party also has a right to recover all costs and expenses incurred (including reasonable attorneys' fees and paralegal fees together with any applicable sales or use tax thereon). However, no Owner has the right to recover attorney's fees from or against the Association, unless provided by Law. Failure by the Declarant, the Architectural Control Committee, the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

In addition to the above rights, the Association and the Architectural Control Committee shall have a Right of Abatement if the Owner fails to take reasonable steps to remedy any violation or breach within thirty (30) days after written notice sent by certified mail. A Right of Abatement, as used in this Section means the right of the Association or Architectural Control Committee, through its agents and employees, to enter at all reasonable times upon any Lot or Structure, as to which a violation, breach or other condition to be remedied exists, and to take the actions specified in the notice to the Owner to abate, extinguish, remove, or repair such violation, breach, or other condition which may exist thereon contrary to the provisions hereof, without being deemed to have committed a trespass or wrongful act by reason of such entry and such actions; provided, such entry and such actions are carried out in accordance with the provisions of this Article. The cost thereof including the costs of collection and reasonable attorneys' fees, and paralegal fees (together with any applicable sales or use tax thereon) together with interest thereon at eighteen percent (18%) per annum, shall be a binding personal obligation of such Owner, enforceable at law, and shall be a lien on such Owner's lot enforceable as provided herein.

The Southwest Florida Water Management District has the right to take enforcement measures, including a civil action for injunction and penalties, against the Association to compel it to correct any outstanding problems with the Surface Water Management System Facilities.

Section 2. Severability. If any term or provision of this Declaration or the Association Documents or the application thereof to any Person or circumstance shall, to any extent, be invalid or unenforceable, the remaining terms and provisions of this Declaration and the

Association Documents, and the applications thereof, shall not be affected and shall remain in full force and effect and to such extent shall be severable.

Section 3. Duration. This Declaration, inclusive of all easements reserved by or on behalf of the Declarant or Association, shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Owner of any land subject to this Declaration, their respective heirs, legal representatives, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is filed for record in the Public Records of Hillsborough County, Florida, after which time this Declaration shall be automatically extended for successive periods of ten (10) years unless an instrument signed by the then record Owners of all of the Lots has been recorded, agreeing to change this Declaration in whole or in part.

Section 4. Amendment. This Declaration may be amended by an instrument signed by the duly authorized officers of the Association provided such amendment has been approved by the Members entitled to cast two-thirds (2/3) of the total votes able to be cast at any regular or special meeting of the Members duly called and convened. Any amendment, to be effective, must be recorded. Notwithstanding anything herein to the contrary, so long as the Declarant shall own any Lot or have the right to subject additional properties to this Declaration, no amendment shall diminish, discontinue, or in any way adversely affect the rights of the Declarant under this Declaration.

Notwithstanding any provision of this Section to the contrary, the Declarant hereby reserves and shall have the right to amend this Declaration, from time to time, for a period of five (5) years from the date of its recording to make such changes, modifications, and additions therein and thereto as may be requested or required by FHA, VA, Southwest Florida Water Management District, or any other governmental agency or body generally or as a condition to, or in connection with such agency's or body's agreement to make purchase, accept, insure, guaranty, or otherwise approve loans secured by mortgages on Lots, provided any such amendment does not destroy or substantially alter the general plan or scheme of development of Lakewood Ridge Townhomes. Any such amendment shall be executed by the Declarant and shall be effective upon its recording. No approval or joinder of the Association, any other Owners, any Mortgagee, or any other party shall be required or necessary for any such amendment. Every purchaser or guarantee of any interest in any real property now or hereafter subject to this Declaration, by acceptance of a deed or other conveyance therefor, thereby agrees that this Declaration may be amended as provided in this Section.

Any amendment affecting the Surface Water Management System Facilities or the operation and maintenance of the Surface Water Management System Facilities shall have the prior written approval of the Southwest Florida Water Management District.

Section 5. Amplification. The provisions of this Declaration are amplified by the Association Documents; but no such amplification shall alter or amend any of the rights or obligations of the Owners set forth in this Declaration. Declarant intends that the provisions of this Declaration on the one hand, and the Association Documents on the other be interpreted, construed, and applied to avoid inconsistencies or conflicting results. If such conflict necessarily results, however, Declarant intends that the provisions of this Declaration control anything in the Articles or By-Laws to the contrary.

Section 6. Permission. When any act by any party affected by this Declaration, which by the terms of this Declaration requires the permission or consent of the Declarant, such permission or consent shall only be deemed given when it is in written form, executed by the Declarant.

Section 7. Applicable Law. The law of the State of Florida shall govern the terms and conditions of this Declaration.

Section 8. Definitions. Whenever used herein and appropriate, the singular shall include the plural, the plural shall include the singular, and any gender shall include the others.

Section 9. Captions. The captions in this Declaration are for convenience only and shall not be deemed to be part of this Declaration or construed as in any manner limiting the terms and provisions of this Declaration to which they relate.

Section 10. Notice. Unless otherwise stated herein, any notice required or permitted to be given pursuant to this Declaration shall be in writing sent by prepaid, first class mail to such address of the Person to be notified as such Person may have designated or as would be reasonably anticipated to effectuate receipt of the notice. Any such notice shall be effective upon mailing in conformity with this Declaration. If any Person consists of more than one Person or entity, notice to one as provided herein shall be notice to all.

ARTICLE VIII DISCLAIMER OF LIABILITY OF ASSOCIATION

Notwithstanding anything contained herein or in the Articles of Incorporation, By-Laws, any rules or regulations of the association or any other document governing or binding the Association (collectively the "Association Documents"), neither the Association nor the Declarant nor any officer or employee thereof shall be liable or responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any owner, occupant or user of any portion of Lakewood Ridge Townhomes including, without limitation, residents and their families, guests, invitees, agents, servants, contractors or subcontractors or for any property of any such persons. Without limiting the generality of the foregoing:

(b) the Association is not empowered, and has not been created, to act as an entity which enforces or ensures the compliance with the laws of the United States, State of Florida, Hillsborough County and/or any other jurisdiction or the preventions of tortious activities; and

(c) any provisions of the Association Documents setting forth the uses of assessments which are related to health, safety security and/or welfare shall be interpreted and applied only as limitations of the uses of assessment funds and not as creating a duty of the association to protect or further the health, safety security or welfare of any person(s), even if assessment funds are chosen to be used for any such reason.

(d) The Association may employ the use of security cameras and portions of the community cable television system for security purposes. This service will be without backup and available only to cable television customers. The operation of this system by the Association is for the convenience of Owners only. The Association, Declarant, and all agents thereof shall have no liability to any person regarding the operation or failure of operation of such security camera system.

Each owner (by virtue of his acceptance of title to his lot) and each other person having an interest in or lien upon, or making any use of, any portion of the properties (by virtue of accepting such interest or lien or making such uses) shall be bound by this article and shall be deemed to have automatically waived any and all rights, claims demands and causes of action against the association arising from or connected with any matter for which the liability of the Association has been disclaimed in this article.

As used in this article, "Association" shall include within its meaning all of association's directors, officers, committee and board members, employees, agents, contractors (including management companies), subcontractors, successors and assigns, the provisions of this article shall also inure to the benefit of the Declarant, which shall be fully protected hereby.

The Owner shall furnish proof of such insurance to the Association at the time of purchase of a Lot and shall furnish proof of renewal of such insurance on each anniversary date thereof. If an owner shall fail to provide such insurance the Association may, but shall not be required to, obtain such insurance and shall assess the owner for the cost of same in accordance as a specific assessment as defined herein.

ARTICLE II is hereby amended as follows:

Section 7. Maintenance.

(a) Responsibility of Association. The Association shall provide maintenance upon each Lot and each Lot is subject to an assessment for such maintenance, as the case may be, as follows:

(i) the exclusive right to conduct exterior maintenance including but not limited to the repair, replacement, mowing, edging, weeding, fertilizing and maintenance of front yards, rear yards and side yards of Lots, trees, shrubs, landscaped areas including sidewalks, fences, and other exterior improvements in the common area installed by Declarant, and their replacements;

(ii) require Owners to be responsible for repair of exterior building surfaces including, but not limited to, ~~roofs and~~ siding. The Association shall be responsible for the scheduled painting or replacement of siding and the scheduled painting or replacement of said items, except for roofing systems, when necessary. In the event an Owner fails to repair the exterior portion of the property as called for herein, the provisions of subparagraph (d) below shall apply;

(iii) repair, replacement, and maintenance of the utility easements located outside the read yard;

(iv) the right to maintain irrigation systems in the yards on individual Lots and within the Common Areas;

(v) maintaining, replacing and pressure washing lead walks, driveways and exterior building surfaces.

The Association's duty of exterior maintenance does not include: glass surfaces; replacement of exterior doors; the maintenance, repair or replacement of any roofing systems or portions thereof, or any trees, shrubs, lawns or landscaped areas within the patio or fully enclosed entry area including the enclosed rear patios or fenced areas of Lots. The Association also is not responsible for any maintenance, repair or replacement resulting from any fire, wind, flood, tornado, hurricane or other casualty; and each owner will promptly correct any and all such casualty damage to such Owner's Lot within a reasonable time as specified below. Where it is stated herein that the Association has "exclusive control," it means the Owners of Lots shall not be required, or entitled, to conduct such activities except as set out in this Section, it being the intent of the Association to control such activities for purpose of maintaining uniformity within the Property.

Section 7. Maintenance.

(xi) maintenance, repair or replacement of roofs on the Owner's Lot.

ARTICLE IV is hereby amended as follows:

Section 14. Effect of Nonpayment of Assessments: Remedies of the Association. Any Assessment not paid within ten (10) days after the due date shall bear interest from the due date at the rate of eighteen percent (18%) per annum or at such rate as the Board may from time to time establish provided, however, that in no event shall the Association have the power to establish a rate of interest in violation of the law of the State of Florida. ~~The Board may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Property. If any Assessment is not paid within ten (10) days (or such other period of time established by the Board) after the due date, a late fee of \$25.00 per month (or such greater amount established by the Board) may be levied in addition to any interest charged as provided for herein. The late fee shall compensate the Association for administrative costs, loss of use of money, and accounting expenses. The Association may, at any time thereafter, bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the Home, or both. The Association shall not be required to bring such an action if it believes that the best interests of the Association would not be served by doing so.~~ A suit to recover a money judgment for unpaid assessments may be maintained without foreclosing, waiving, or otherwise impairing the Association's lien or its priority. ~~No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or Recreation Facility or abandonment of his Lot. There shall be added to the Assessment all costs expended in preserving the lien and all costs and expenses of collection, including attorneys' fees and paraprofessional fees, at all levels of proceedings, including appeals, collection and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use the Common Areas or Recreation Facility or by abandonment of a Lot. All payments on accounts shall be first applied to fines levied in accordance with the terms of this Declaration, then to interest accrued by the Association, then to any administrative late fee, then to costs and attorneys' fees, and then to the delinquent Assessment(s) first due. The allocation of payment described in the previous sentence shall apply notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment.~~

Section 15. Subordination of the Lien to Mortgages. ~~The lien of the Assessments provided for herein shall be subordinate to the lien of any first Mortgage. Sale or transfer of any Lot shall not affect an Assessment lien, except the sale or transfer of any Lot pursuant to the foreclosure of a first Mortgage or any proceeding or conveyance in lieu thereof, shall extinguish the lien of such Assessments as to payments which became due prior to~~

~~such sale or transfer, without prejudice however, to the Association's right to collect such amounts from the Owner personally liable for their payment. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof. Any encumbrancer holding a lien on a Lot may pay, but is not required to pay, any amount secured by the lien created by this Article, and such encumbrancer then will subrogate to all rights of the Association with respect to such lien, including priority, to the extent of such payment~~

Section 15. Subordination of Assessment Lien to Mortgages. The lien for Assessments shall not be subordinate to any mortgage including a bona fide first mortgage held by a Lender on any lot, even when the mortgage is recorded in the public records prior to the Claim of Lien. For purpose of priority, the date of the filing of the Declaration of Covenants, Conditions, and Restrictions for Lakewood Ridge Townhomes shall be deemed the date of the filing of any lien pursuant to this section. The lien for Assessments shall not be affected by any sale or transfer of the lot, except in the event of sale or transfer by deed in lieu or pursuant to a foreclosure of a bona fide first mortgage, in which event, the mortgagee shall be liable for the unpaid Assessments which became due during the twelve (12) month period immediately proceeding the acquisition of the title or one percent (1%) of the original mortgage debt, whichever is less. However, any remaining unpaid Assessments for which such mortgagee is not liable may be assessed and reallocated to the subsequent owner who receives title from such mortgagee. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments for the payment thereof, or enforcement of collections by means other than foreclosure. A Lender shall give written notice to the Association if the mortgage held by such Lender is in default. The Association shall have the right, but not the obligation, to cure such default within the time periods applicable to the Owner. In the event the Association makes such payment on behalf of the Owner, the Association shall, in addition to all rights reserved herein, be subrogated to all other rights of the Lender. All amounts advanced on behalf of an Owner pursuant to this Section shall be added to the Assessments payable by such Owner with appropriate interest.

~~Section 18. Utility Assessments. The Developer of Lakewood Townhomes does hereby certify this project does not meet the requirements established by the Florida Department of Environmental Protection for classification as a regulated consecutive public water system. The developer acknowledges that this project is a townhouse project, the owners of each unit will individually own the property immediately adjacent to their respective unit, that water for the entire townhouse complex will be purchased from a public utility, and that the public utility will determine water usage for the~~

~~entire townhouse development by way of master meter. The developer declares that the individual units will not be sub-metered. The developer further declares that the undivided share of ownership of the common elements of the project will be based upon an equal fractional basis thus making the fractional share of liability for common expenses of the project also based on the same fractional basis. The bylaws and/or Declaration of the homeowner's association shall reflect this method for collecting from the unit owners their share of common expenses. The developer certifies that the unit owners will not receive an individual water bill, an itemized bill covering all fees that breaks out the water usage as a separate item or that there will be any other method for prorating the costs of the water to the units.~~

~~Water and wastewater fees are the largest part of the Association's annual budget. When unit owners are in default in the payment of their annual assessment installments, the Association may then not be capable of making a timely payment of its water and wastewater fee obligation to the public utility, this risking the termination of water service to the entire development. To encourage unit owners to make timely payment of their annual assessment installments, and to provide a prompt remedy to the Association in the event of a unit owner default, in addition to the other remedies specified in this Article, after ten days notice, the Association may physically terminate water service for failure of the Owner to timely pay any assessment.~~

The Association may choose to have the subdivision metered for water and wastewater utilities as a whole and either individually meter individual residents for water or wastewater usage or divide the master charges pro rata among the number of Lots. If so, the Association shall bill each owner monthly for such services, which shall be a specific assessment as provided above. The assessment for water and wastewater charges shall include an amount for the cost of billing and for the cost of meter reading. In addition to other remedies specified in this Article, after ten (10) days notice, the Association may physically terminate water service for failure of the owner to timely pay such assessment.

The DEP or their assignee or successor have been notified of this Amendment.

Section 19. Individual Special Assessments. In addition to the annual assessments authorized above, the Association may levy an individual assessment against any individual Lot to recover any charges or losses incurred by the Association as a result of the actions or inactions of a particular Owner, resulting from an individual Owner's failure to comply with

the terms of this Declaration and the Association's governing documents. Individual assessments shall be payable in such manner and at such time as determined by the Board. Individual assessments shall be subject to all the provisions of this Article, including interest and lien provisions.

The Declaration as amended is hereby incorporated by reference as if fully set forth herein and except as specifically amended herein above, it is hereby ratified and confirmed in its entirety.

This Amendment shall be a covenant running with the land and shall be effective immediately upon its recording in Hillsborough County, Florida.

IN WITNESS WHEREOF, the Association has caused this Fifth Amendment to be executed by its duly authorized representative as on this 01st day of January, 2026.

LAKEWOOD RIDGE TOWNHOMES ASSOCIATION, INC.
BOARD AND MEMBERSHIP MEETING RULES OF CONDUCT

WHEREAS, each member of Lakewood Ridge Townhomes Association, Inc. ("the Association") has an ongoing interest and right under Florida law to participate in the governance of their community; and

WHEREAS, the Board of Directors ("the Board") has an equal interest and duty under the law to ensure that the management of the community's affairs are carried out professionally and in accordance with the provisions under Florida Statutes, the governing documents, and applicable rules of conduct; and

WHEREAS, the Board wishes to promote orderly and efficient meetings of the Board and of the membership of the Association;

NOW THEREFORE BE IT RESOLVED, that the Board hereby adopts the Rules of Conduct to take effect immediately upon adoption:

1. Any member of the Association may attend a meeting of the Board of Directors, and may speak to the Board and other owners present on matters that are on the agenda for the meeting, or are being addressed by the Board. The Board may establish a time during the meeting for Owner Comments and Questions, and the Board does not need to allow Owner input when the Board is discussing or acting upon an agenda item.
2. At membership meetings, Owners are entitled to speak on the issue being addressed by the membership. There will also be a time for general Owner Comments and Questions at the end of the meeting, which will permit input on any matters of general interest to the membership.
3. **Time Limits:** In addition to any time constraints that the Board may impose on itself, the Chairperson reserves the right to limit the amount of time allotted per agenda item and/or the individual time allotted per member to speak on any agenda item. The general rule is that members will have a maximum of three minutes' time at both Board and membership meetings to address any issues, unless such time limit is extended by the Chairperson of the meeting or the Board.
4. **Member Participation:** Members should identify themselves by their name and address. In the absence of a Member, a representative of such Member may attend a meeting and speak on behalf of the Member, provided that such representative is either: (a) a licensed attorney-at-law in the State of Florida; or (b) appointed as the attorney-in-fact for the owner pursuant to a power of attorney.
 - a. Members are invited to speak with respect to agenda items during the designated "Owners Comments" period of Board meetings, although the Board or the Chairperson may allow input at other times.
 - b. Unless the Board or Chairperson decides otherwise, there is a maximum time limit of three (3) minutes per member during the "Owners Comments" period.

- c. A member may address the Board only once during the "Owners Comments" period unless the Board or Chairperson allows other comments on additional issues brought up after the initial comments by such member.
 - d. When a member is speaking, he or she must address any comments or remarks only to the Chairperson, unless permission is granted by the Chairperson for the member to address someone else.
 - e. Only one person is to speak at any one time and members who have been recognized as having the floor should not be interrupted.
 - f. The Chairperson will have the sole authority and responsibility to see to it that all member participation is relevant to the subject or motion being addressed.
 - g. At the discretion of the Chair, members may be allowed to speak to individual agenda item under consideration during Board discussion periods. Members shall raise their hand seeking recognition, and may speak only if and when they are recognized by the Chair.
5. Members must conduct themselves in a civil and respectful manner at all times, and must refrain from interrupting others while they are speaking, raising their voice unnecessarily, and making any personal attacks or other inappropriate statements.
 6. Members must confine their remarks to the issues before the Board or to the merits of the motion or resolution under consideration.
 7. Members should come and go as necessary from the meeting space in the least disruptive manner possible.
 8. Enforcement: It is the intent of the Board to maintain order and enforce the aforementioned rules. Disregard of these rules will result in:
 - a. The Chair may declare the member out of order.
 - b. Should the member fail to come to order, the Chair will request that the member leave the meeting.
 - c. The Chair shall be the sole arbiter of when member statements or actions are out of order.
 - d. Fines or other sanctions may be proposed if owners refuse to comply with these and other rules relating to meeting attendance and participation, including barring owners from meetings if they continually fail to observe these rules and disrupt meetings.

Please be aware of the language in your Declaration of Covenants, Conditions, and Restrictions. Please refer to Article VI, Section 7, Storage of Vehicles, Water Craft, Machinery, or Equipment.

The new towing policy will be implemented as of April 7, 2025. Vehicles found to be in violation of community rules after that date will be subject to immediate towing at the owner's expense.

By board resolution, one or more specifically named persons are designated as agents of the association for the removal of vehicles. The statute provides that "The owner or lessee of real property, or any person authorized by the owner or lessee, which person may be the designated representative of the association if the real property is the association, may cause any vehicle parked on such property without his permission to be removed by a person regularly engaged in the business of towing vehicles."

The initial representatives with the authority to tow vehicles are as follows:

VISITOR PARKING AREAS

September 16, 2021

NOTICE

The Visitor Parking Areas are not being used correctly, therefore, in order to make sure these areas are being used properly as VISITOR PARKING and not storage areas, the Board of Directors is instituting a new policy.

Starting October 1, 2021 and going forward, any vehicle found to be stored in these areas continuously for seven (7) days or more, will be towed without notice.

A fee of \$200.00 plus any additional charges will need to be paid in order for you to retrieve the vehicle.

Let us all be responsible homeowners/residents and keep this area for the purpose that it was created for—additional parking for your family and friends when they visit.

If you are storing any vehicle in these areas, please make arrangements to store them to an off site location.

Thank you for your cooperation.

[Nuisance Animals -- Sec. 36-436](#): On May 3, 2017, Hillsborough County Board of County Commissioners passed the Nuisance Animal Noise Ordinance. The ordinance covers any nuisance animal that barks, meows, whines or howls non-stop for 20 minutes or longer with less than 20 seconds of interruption during that 20-minute time period.

Enforcement is handled by the State Attorney's Office and Hillsborough County Sherriff's Office. Pet Resources assists in processing the paperwork during regular hours of operation.

What it means: Nuisance animal noise violations can be enforced as misdemeanors that include a fine of no more than \$500 or imprisoned up to 60 days in jail. Each day a violation occurs or continues, is a separate offense and may be penalized separately. Warnings will be on a case-by-case basis and at the discretion of the State Attorney's Office.

Subject: Water/Sewer Utility Bill Information for Lakewood Ridge Townhomes

Dear Owner,

I am writing to introduce myself, and the company I represent. Think Utility Services specializes in offering utility solutions to multi-family housing communities. Lakewood Ridge Townhomes and Think Utility Services are partnering together to provide water/sewer utility billing service that includes meter reading, full page invoices, return envelopes, on-line access, and more. The program will commence within the next thirty days, and is detailed below.

Think Utility Services will provide the water billing effective October 2020. Your first invoice will detail water usage from approximately 9/7/20 – 9/21/20, and it will include a \$5.00 initial setup fee. The invoice is due twenty days from the date of mailing. Late fee (s) will apply by contract, at \$10.00 for each infraction per month for partial payment, non-payment, or payment received past the due date. To avoid Late Fees, it is recommended that payments be made on time.

Think Utility Services does not sell or increase the cost of water and sewer. The rate structure is determined by the municipal water supplier. The municipal rates are applied to each unit's monthly consumption. Additionally, account information is available on-line including past invoices and statements. To setup your account online, go to www.ThinkUtilityServices.com and enter the security code listed on your invoice. Once a username and password is created, your account is setup. You have the option of paying online using our site (convenience fee applies) or payment arrangements can be made online through your bank. It is our goal to provide you with exemplary service. If you have any questions, please contact our customer service team between 8 a.m. – 5 p.m. (EST) Monday – Friday toll-free at 888-696-3837 for assistance.

Thank you. We look forward to servicing your community for years to come.

Sincerely,

Saul Moreno

Payment Methods

Think Utility Services currently maintains two payment methods:

Non-Transactional Fee Based:

Residents can make the traditional payment method of mailing to Think Utility Services a check/money order at no cost.

Additionally, they can setup an automated payment through their banks “**Bill Payer**” program, of which there is typically no charge for the service. In this case the bank cuts a physical check *(all banks request a minimum of 5 business days) to process the payment.

To Setup in the Customers “**Bill Payer**” use the following information.

Think Utility Services
PO BOX 17389
Clearwater, FL 33762-0389
727 571-3939

Transactional Fee Based:

Think Utility Services offers additional payment options. These options have fees associated with them that Think Utility Services passes through, often called “**Convenience Fees**”. These convenience fees, presented up front are simply a resident’s choice as to which payment option they use.

Why is there a convenience fee?

All banking services utilizing Electronic Fund Transfers “**EFTs**” maintain fees for this service, ACH, Credit Card and Debit Card in some cases. These fees are set in the banking industries profit models. All businesses have credit card transaction fees of which some can hide in the cost of doing business.

Think Utility Services cannot add monies to the water/sewer rates to hide third party banking fees, thus keeping us in line with the current laws and standards of our industry. Think Utility Services works hard to keep its service “**Billing Fee**” to the resident to the very minimum.

Current Convenience Fee Structure:

Online Credit Card Payment \$3.95 per transaction
ACH (Automated Clearing House) \$2.95 per transaction
Customer Services Credit Card Payment \$4.95 – One dollar of which is for the convenience of using a live representatives time to process the transaction.

Electronic Funds Transfer Authorization

I hereby authorize Think Utility Services to initiate debit entries to my Checking Account by electronically transferring funds for the purpose of paying the utility bills for the utility account designated herein. I hereby authorize Think Utility Services to do so from the depository financial institution named below, and to debit the same to such account. I acknowledge that the originations of the transaction to my account must comply with the U.S. Law. The cost of these transactions is \$2.95.

I understand that both the Think Utility Services and my financial institution reserve the right to terminate this agreement. This authority is to remain in effect until revoked by me in writing.

Homeowner Water Submetering Assessments

For Water or Meter Issues, or SERVICE, call THINK Utility Services at (727) 492-7545.

ONLY OWNERS CAN HAVE ACCOUNTS If your home is rented, you as the Owner will be billed, not your tenant. You are responsible for payments. This is part of your Homeowner Assessment. Late payments trigger late fees and nonpayment results in potential attorney fees, court costs, property liens, and foreclosure.

PAYMENT METHODS

The following information regarding Payment Methods is obtained from THINK's website at: <https://thinkutilityservices.com/faq/>

Think Utility Services (TUS) uses a third-party vendor who charges fees to process all electronic payments, which includes financial institution (ACH) payments \$2.95 fee; and credit card payments \$3.95 fee that increases to \$4.95 if the payment is made over the telephone utilizing a Customer Service Representative.

Free methods of payment are payment by check or money order; or payment by your financial institution utilizing their bill pay by check. In the second instance, your bank mails a physical check (note that some banks withdraw the funds at the time they cut the check rather than when the Payee cashes it, so you may be under the impression Think Utility Services received and cashed the check, when in fact, they have not even received it). If you utilize a payment method that involves mailing it whether by the bank or yourself, they ask that you please allow enough time to make payment before the due date to AVOID A LATE FEE. It is not the date the envelope is postmarked; it is the date the payment is received.

TUS utilizes Starnik © UtilityTrakR™ software. You may set up an on-line account through the TUS website account login page https://www.starnik.net/UtilityTrakR/UT1/Current/RP_Default.aspx with the information you receive with your first bill, after which, you will have 24/7 access to your account. This is not a requirement to make payment.

TRASH DISPOSAL

There are three dumpsters located as follows:

- By the Pool and Mailboxes in the Roundabout at the front of the Community on Golden Tree
- In the Roundabout at the rear of the Community on Blue Magnolia
- Adjacent to the open field in the middle of the Community on Deer Tree

NOTE: The garbage cans in the Mailbox area is for discarded mail/paper only.

The following guidelines are designed to minimize any rodent/pest infestation and minimize unpleasant odors.

Trash Disposal Guidelines:

- All refuse must go in the dumpsters. The garbage company does not pick up trash off the ground.
- **Break down all cardboard boxes** before placing them in dumpsters. This keeps the dumpsters from becoming prematurely full.
- All trash containing food stuffs should be disposed of in a plastic bag designed for that purpose so no liquids are seeping. All other trash should be disposed of in a garbage bag or an appropriate container so that it is not picked up by the wind and distributed throughout the community.
- If your nearest dumpsters are full, use alternate dumpsters. There are holidays or other instances when the dumpsters are prematurely filled.
- Large items *including but not limited to* **Appliances, Televisions, Computers, Mattresses, Tires, Paint, Furniture**, etc., or **heavy items** such as concrete blocks should be **taken by you** to HILLSBOROUGH HEIGHTS COMMUNITY SOLID WASTE FACILITY, 6209 County Road 579, Seffner, FL 33584, or another facility of your choice <https://www.hillsboroughcounty.org/en/locations/hillsborough-heights-solid-waste-facility> . The garbage company will not haul it off.
- Trash should not be stored around the edges of your townhome, on your porches, in the shrubs or on sidewalks.
